

FREE Computer Tutorials

The Community Access Program is a government initiative through Industry Canada and Ontario Library Association to provide Canadians with computer access and training.

The North Grenville Public Library is now offering basic computer training on:

- Internet (searching/research/blogging/email)
- Microsoft Publisher (PowerPoint & Word)
- Adobe Premiere Pro

To book a private training session email or call Celina

Call: (613) 258-4711
